

COURSE INFORMATION

QLD LICENCE HOLDER

KNOWLEDGE TEST

If you hold a C Class Licence and haven't completed your Heavy Vehicle Learners Questions at Queensland Transport, it is advisable to have it completed by your test date but can be completed afterwards. Please click on link to practice online [Practice Heavy Vehicles Theory Test](#).

If you already hold a LR or higher licence, you do not need to complete the knowledge test.

MEDICAL

If you have a medical condition noted on your licence, you will be required to obtain a new medical for the class of licence for which you are applying. This needs to be completed on the [F3712 Medical Certificate for Motor Vehicle Driver form](#).

WHAT TO BRING / WEAR

Wear closed-in Shoes
Licence
Medical Form (if applicable)
Condition S - If you wear glasses or contacts please make sure you bring them with you on the day of Training / Assessment.
Bottle of water / snacks

NSW COURSE HOLDER

KNOWLEDGE TEST

If you have not completed the Driver Knowledge Test and Obtained Your HVCBA Log Book from RMS, this will need to be done 4 days prior to the commencement of your training. Please click link to take [Driver Knowledge Test](#).

Every time you upgrade your licence, you will be required to complete the knowledge test.

MEDICAL

If you have a medical condition noted on your licence, you will be required to obtain a new medical for the class of licence for which you are applying. Please contact your local Service NSW office for the appropriate form.

If applying for an MC Licence, you will need to obtain a medical on the appropriate RMS paperwork and returned to RMS for processing, 4 days prior to your first lesson.
